Dichelostemma capitatum

Chinese Houses
Collinsia heterophylla

Checker Lily/Mission Bells
Fritillaria affinis

Bowl-tubed Iris
Iris macrosiphon

Blue-eyed Grass
Sisyrinchium bellum

WILDFLOWERS

of
Low Gap Regional Park
Ukiah, California

Please leave wildflowers so that they can re-seed and be enjoyed for generations to come.

Purdy's Iris (*Iris purdyi*)

There are 39 species shown in this brochure. They are but a portion of the flowers in Low Gap Park and are generally the more colorful and noticeable flowers. The pictures are arranged by flower color with their Common Name listed first, followed by their Scientific Name.
